Cuyahoga Falls, OH 44221

Dear AG PrintPromo Staff :

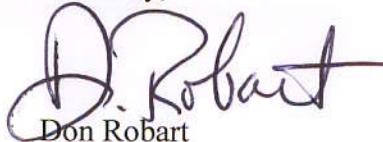

The weather could not have been more perfect for my annual golf outing on August 7th at the beautiful Brookledge Golf Course. I hope you enjoyed the golf, the camaraderie and the fantastic meal provided by Edward's Creative Catering.

Your continued support and friendship is greatly appreciated as I look ahead to the future of this fine city. With the help of your generous contribution I will continue working hard to keep Cuyahoga Falls a step above the rest.

We have a plethora of exciting developments ahead of us. From the redevelopment of the former State Road Shopping Center, the roadway reconstruction of a much needed section of State Road, to the multitude of changes to the Front Street Corridor from the north mall to High Bridge Glens Park.

Without your support, these important projects would not come to completion. As always, thank you.

Sincerely,

Don Robart

*I appreciate, so much,
your continued support!*
